EDUCATION

University of Illinois Springfield

Masters in Data Analysis

Expected: May 2024

GPA:4.0/4.0

College of Coastal Georgia

Bachelor of Science in Mathematics, Minors in Economics and Data Analysis

May 2022

GPA:3.9/4.0

EXPERIENCE

Software Developer Intern

Department of Innovation and Technology, Illinois Department of Revenue

Aug. 2022 - Present

Springfield, IL

- Build, review and test codes in VB.net and SQL to maintain or improve the performance of the software GenTax and to create requested reports with specific information from the database.
- Analyze user requests and research to determine the changes needed in the software to meet their needs.
- Communicate effectively and professionally with ten experienced team members and external users.
- Test, maintain and recommend software improvements to ensure strong functionality and optimization.
- Interpret software errors, debug and review codes to be able to fix them.

Supplemental Instructor Leader and Academic Tutor

ATTIC, College of Coastal Georgia

Aug. 2019 - May 2022

Brunswick, GA

- Tutored mathematics and programming upper-level courses.
- Planned and conducted weekly study sessions for a group of 15 students that resulted in a 93% passing rate.
- Set up private lessons to focus on each student, who finished the class with a 3.8 average GPA.

TECHNICAL SKILLS

Programming Languages & Tools: Python, Java, SQL, Visual Basic, R, TeX, HTML, CSS.

Software/IDE: Visual Studio, R Studio, Eclipse, GenTax, Excel, LaTeX, Tableau, Wolfram Mathematica.

PUBLICATIONS

Marianela Landi, et al., "Zeroes of Complex Random Polynomials Spanned by Bergman Polynomials," *Involve* 14 (2021): 271-281.

- Interpreted and analyzed quantitative and qualitative data using Mathematica for computations.
- Expressed the results in the form of manuscript using LaTeX that has been published in the journal *Involve*.
- Presented the findings at the Young Mathematicians Conference hosted by Ohio State University.
